

LEWIS COBB Online Account Access

Step 1: Main Entry Point

On the LEWIS COBB website homepage, we have created an easy-to-use section entitled, “Customer Login”.

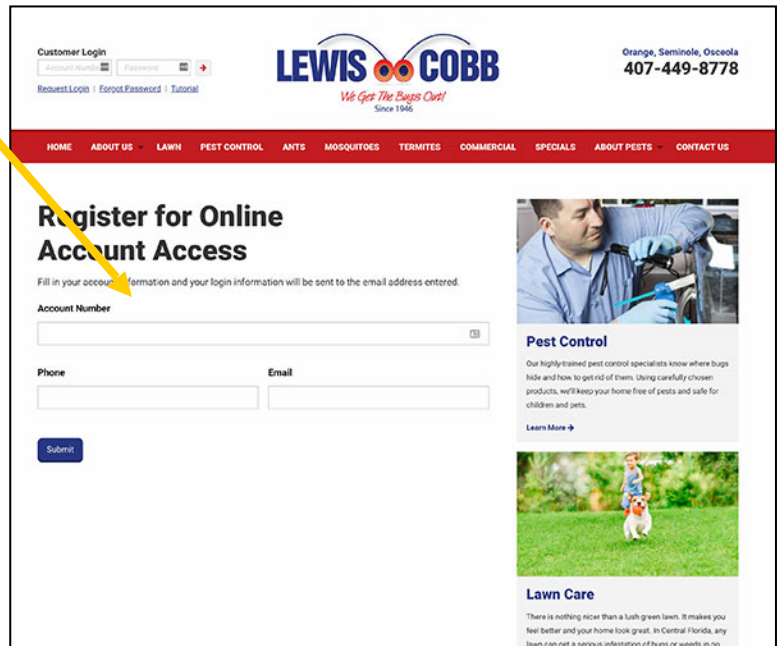

Step 2: Requesting a Login

As a first-time user, you will need to set up your login information. Simply click “Request a Login” to get started.

Step 3: Set up your login

Upon requesting a login, you will be directed to a page where you can set up your login. At this page, you will be asked to insert your “Bill-to Account” number (this is your LEWIS COBB account number), your phone number, and your email address. Once you have filled in each field, hit the “Submit” button and you will receive your password via email.

Step 4: Your regular login location

After you have registered your information and received your password, you are able to login directly. Your “username” is your LEWIS COBB account number. And with the password provided you can now easily access your account info.

Step 5: Get started with your online account access
